FROM THE PRESIDENT

By Thom Wright

The fire marshal was in this past month doing a regular inspection. Apparently this is an annual thing that hasn't been done since 1995 or so. We were written up for the fire extinguishers being out of date (2 days) and that has been remedied. We had some problems with the light bulbs and batteries in the exit signs and emergency lighting and that has been remedied. These are the simple things. The fire marshal insists we provide a structural analysis by a licensed structural engineer showing the building is structurally sound. We will be dealing with this over the next couple weeks. It is not clear at this point what will happen here.

Elizabeth Hunter is moving to Colorado. Elizabeth has been a shining light on the board. She has contributed a lot personally and will be missed.

SECRETARY'S REPORT

By Jon Wright

April's board meeting was relatively uneventful. Things have been flowing pretty smoothly around the club and there wasn't much business to take care of last month. A warm welcome to our new members; Anthony Couture and his spouse, and Scott MacCurdy. A big thank you to Jim Corvedou who removed the fallen tree from our back patio. A change has been made in the art committee. Director Kouri Antinone has replaced me as the Art Committee chair. She will now be the primary person to contact for scheduling art shows. If you are interested in showing at the APC, or if you know someone who is, please contact art@albuquerquepressclub.org
